

CALIFORNIA DEPARTMENT OF PUBLIC HEALTH CAREER EXECUTIVE ASSIGNMENT EXAMINATION ANNOUNCEMENT

California State Government supports equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age, sexual orientation, medical condition or pregnancy. It is an objective of the State of California to achieve a drug-free work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing Civil Service, and the special trust placed in public servants.

DEPARTMENT:	CALIFORNIA DEPARTMENT OF PUBLIC HEALTH	RELEASE DATE:	Monday, November 8, 2010
POSITION TITLE:	Chief, Division of Drinking Water and Environmental Management	FINAL FILING DATE:	Tuesday, November 23, 2010 <i>or until filled</i>
CEA LEVEL:	CEA 3	EXTENDED FINAL FILING DATE:	
SALARY RANGE:	\$ 8,594.00 - \$ 9,476.00 / Month	BULLETIN ID:	11052010_1

POSITION DESCRIPTION

Under the general direction of the Deputy Director, Center for Environmental Health, the Chief of the Division of Drinking Water and Environmental Management is responsible for the development, implementation, coordination, evaluation, and management of approximately twenty programs, which comprise the Drinking Water Technical Programs Branch, the Northern and Southern California Drinking Water Field Operations Branches, the Environmental Management Branch, the Drinking Water and Radiation Laboratory Branch, and the Environmental Laboratory Accreditation Program. These programs are responsible for providing low-interest loans and grants to public water systems for infrastructure and water security improvements; ensuring the safety and security of California's drinking water supplies, shellfish growing areas, and wastewater reclamation projects; managing the transportation and disposal of medical waste; and protecting the public from the hazards of indoor radon and excessive noise. The programs also ensure that sanitary conditions are maintained at all State institutions; license water treatment plant operators; certify water treatment devices; and register environmental health specialists. The Drinking Water and Radiation Laboratory Branch provides statewide water sanitation and radiochemistry laboratory support for the programs within the Division and other departmental programs. The Environmental Laboratory Accreditation Program provides evaluation and accreditation of environmental testing laboratories to ensure the quality of analytical data used for regulatory purposes to meet the requirements of the State's drinking water, wastewater, shellfish, food, and hazardous waste programs.

The Division Chief is the Department's primary spokesperson in a variety of local, state, and national forums dealing with issues that affect environmental management and drinking water. The Division Chief is also the primary State liaison for the 62 Directors of Environmental Health as well as the State's numerous water agency directors, and represents the Director at the California Bay-Delta Authority meetings.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III
